Honorable Rowland B. Hughes  
Director, Bureau of the Budget  
Washington 25, D. C.

Dear Mr. Hughes:

The Bureau of the Budget Bulletin No. 55-4, dated 15 January 1955, requests a review and a report on commercial-industrial activities of the Government providing products or services for governmental use.

The Central Intelligence Agency, after review, wishes to advise that it conducts no commercial-industrial type activities which provide services or products for its own use which could be procured from private enterprise through ordinary business channels.

Mr. Edward R. Saunders has been delegated the responsibility of assuring that the Central Intelligence Agency follows the policy set forth in Bulletin No. 55-4 in case a future need for commercial-industrial activities should arise. Mr. Saunders, moreover, has been delegated as the Agency representative and contact on this matter.

Sincerely,

15/
